Hello OPA Community,

There was an interesting article in Nature this week about finding balance when simultaneously raising children and working in a lab. Some of you might be in that particular situation, or perhaps planning to enter that realm in the near future.

I've attached the article here, but you can also go directly to it:

<http://www.nature.com/nature/journal/v517/n7534/full/nj7534-401a.html>

And below as usual info on various events and activities – one in particular is today, so scroll on down.

Program: The Data Incubator is an intensive six-week fellowship that prepares masters, PhDs, and postdocs in STEM + social science fields seeking industry careers as data scientists. The program is free for fellows and supported by sponsorships from dozens of employers across multiple industries. In response to the overwhelming interest in our earlier sessions, we will be holding another fellowship.

Locations: There will be both an in-person (in NYC and DC) and online section of the fellowship.

Dates: All sections will be from 03/23/15 to 05/01/15

Who should apply: Anyone within one year of graduating from a masters or PhD program or who has already obtained a masters or PhD is welcome to [apply](#). Applications from international students welcome. There is a common application for both the online and in-person sections. Everyone else is encouraged to [sign-up for a future session](#).

Vietnam Educational Foundation Visiting Scholar Program

Warmest greetings from the [Vietnam Education Foundation \(VEF\)](#)!

Please be informed that the online application form for the VEF Visiting Scholar Program 2016 – 2017 has been opened at the VEF website: www.vef.gov.

APPLICATION DEADLINE: Applications are now available ONLY online at VEF website at: <https://application.vef.gov/vsp/2016/> until 10:00 a.m., April 10, 2015 (Vietnam time zone).

For the 2016-2017 academic year, which is also the last cohort of the VEF Visiting Scholar Program, VEF expects to award approximately 3 grants. The full program description is available at: <http://home.vef.gov/details.php?mid=7&cid=393>. If you, your friends or colleagues would like to apply for a VEF Visiting Scholar grant, this would be the last chance.

Please email us at: vs@vef.gov or call us at (84-4) 3936 3670 for any questions concerning the VEF Visiting Scholar Program 2016 - 2017.

Thank you for spreading the word to those who might be interested.

Sincerely,

The VEF Team (Email: vs@vef.gov)
