Graduate Student Success Center
Graduate School

The Graduate Student Success team works with students, faculty and graduate programs to help students reach their academic and professional goals.
Academic support and Professional training

For Graduate Students

Professional Development
Classes and workshops are held each term to help graduate students gain a professional edge in six key areas: career, communications, leadership, research, teaching and writing.

Hub for Graduate Resources
- News, events and opportunities to help grad students flourish
- Connection to relevant OSU supports and resources
- Information when dealing with personal, academic or professional concerns

Staying on Track to Graduation
Students receive reminders about deadlines and timelines toward degree completion information and advice on graduate policies and procedures.

Grad Welcome Week
- Orientations, workshops and training activities to welcome new graduate students and new Graduate Teaching Assistants (GTAs)
- Collaboratively offered by the Graduate School, Valley Library and International Programs

Social Events
Grad-only informal gatherings and day-long adventure trips are offered throughout the academic year.

For Faculty and Programs

Resources and Support
- Consult with us when navigating complex student situations
- Information on OSU resources, enrollment and leave options

Progress Toward Degree
- Term-by-term monitoring of student GPA, enrollment, and time to degree
- Reminders to students and faculty to help stay on track to degree completion

Graduate Student Success Center
The GSSC gives graduate students a place to meet, relax and study.
- Three reservable rooms
- Computers and printer
- Dry-erase boards
- Massage chair
- Coffee maker
- Drop-in hours for Graduate Writing Center, IRB and Graduate School
- Staffed by a graduate research assistant

Located on the second floor of the Memorial Union in room 203
