STATEMENT OF UNDERSTANDING

1. I understand that all work toward a master's degree must be completed within seven (7) years. This includes transfer credits, all course work, all examinations, and final library copies of thesis, if applicable.
2. I understand that transfer courses are defined as:
 - a. Graduate courses taken at OSU while I was a special, non-degree student, and
 - b. Graduate courses taken at OSU while I was a postbaccalaureate student, and
 - c. Graduate courses taken at OSU and reserved for graduate credit while I was an undergraduate student, and
 - d. Graduate courses taken at OSU and reserved for graduate credit while I was a postbaccalaureate student, and
 - e. Graduate courses taken at other accredited universities after I had received a baccalaureate degree.

I also understand that grades of B or better must have been earned in any transfer course and that courses to be transferred must not have been used on another masters degree.

3. I understand that the residence requirement for a master's degree is 30 credits, that this refers to courses taken at OSU after I have been admitted as a regular, degree-seeking graduate student, and that transfer courses (defined in 2 above) are not counted toward this residence requirement.
4. I understand that credits with grades of S cannot be used in a graduate program.
5. I understand that grades below C (2.00) are not accepted in a graduate program.
