

Excellence in Undergraduate Research Mentoring by a Graduate Student Award

Application Form Overview

The Office of Undergraduate Research, Scholarship, and the Arts; Faculty Affairs; and the Graduate School invite nominations for the Excellence in Undergraduate Research Mentoring by a Graduate Student Award. This award recognizes outstanding undergraduate research mentoring by OSU graduate students.

Recipients will have direct and significant involvement with undergraduate student researchers, a demonstrable commitment to the research mentorship of undergraduate students, and a record of effectiveness and impact with respect to undergraduate student research and success.

This award - previously offered jointly for graduate students and post-docs, has been separated into two different awards for graduate students and post-docs.

In the online application form, be prepared to provide the following information:

1. Is the nominee a current graduate student in a graduate degree-seeking program at OSU?
2. Is the nominee making satisfactory academic progress?
3. Has the nominee provided significant mentorship to undergraduate students in research-related endeavors at OSU within the past three years?
4. Nominee
