Files below were uploaded in association with individual questions on your application and can be viewed but cannot be deleted.

	amp_v1.7.pdf	Other
	amp_v1.7.pdf	Statement of Objectives
	amp_v1.7.pdf	Resume/Curriculum Vitae

Uploaded documents are moved to the database once every business day. Once the process is completed, uploaded documents will no longer be visible in this area of the page.

### Documents Received

Unofficial documents and test scores can usually be used for review; however, please confirm whether your proposed major requires official test scores immediately. International applicants can wait to send financial documents until requested by the Graduate School. All applicants will be notified upon admission if there are remaining required documents. Not all uploaded documents will be displayed below.

No official documents have been received for this application at this time.

**Step 17:** Log back in within a few business days to access the “Supplemental Application” (if applicable). Also, check if all uploaded documents have been received, as well as official documents, like test scores and transcripts.

**Step 18:** Log back in periodically to check the status of the application. While the application is waiting to be approved or denied it will say submitted. The three decisions for the application are Admitted, Cancelled or Denied Admission.
