</thead>
</table>

**Instructions**

1. To start a new application, hit start new application and select your degree type. You can come back to this page to edit your application at a later time.
2. If you do not have access to your specific major, hit request access to be taken to a request page where you can gain access.
3. If you do have access, you can continue on to go edit your application.
4. Inside your application, click on edit mode, to be taken to the editing page for your application.
5. You may begin editing your program specific questions by clicking on the program specific questions.

**Detailed List of Question Changes**

**Majors Approved To Edit**
