

Equivalence of Thesis / Non-Thesis Credit

_____ is a graduate student majoring in
(name of student)

_____ and pursuing a _____ degree. This student is changing his/her/their master's program from:

	Thesis to Non-Thesis
	Non-Thesis to Thesis

The student originally registered for the thesis/non-thesis credit below. The research performed for this credit is still applicable to the (___Thesis, ___Non-thesis) option the student is now pursuing.

If the change is from thesis to non-thesis credit, the appropriate grade the student would have received for the work should be entered by the major professor.

Title	Course Prefix	Course No.	Term Taken	No. of Credits	Appropriate Grade

PLEASE NOTE: This change only applies to the use of credit on the student's graduate degree program and does not change the credit as officially listed on the student's transcript.
