

Excellence in Undergraduate Research Mentoring by a Graduate Student or Postdoc Award

Nomination Form Overview 2019-2020

The Office of Undergraduate Research, Scholarship, and the Arts; Faculty Affairs; and the Graduate School invite nominations for the Excellence in Undergraduate Research Mentoring by a Graduate Student or Post Doc Award. This award recognizes outstanding undergraduate research mentoring by OSU graduate students and postdocs. Recipients will have direct and significant involvement with undergraduate student researchers, a demonstrable commitment to the research mentorship of undergraduate students, and a record of effectiveness and impact with respect to undergraduate student research and success.

In the online nomination form, be prepared to provide the following information:

1. Is the nominee a current postdoc or graduate student in a graduate degree-seeking program at Oregon State University?
2. If a graduate student, is the nominee making satisfactory academic progress as determined by their graduate program? (If postdoc, select yes)
3. Has the nominee provided significant mentorship to undergraduate students in research-related endeavors at Oregon State University within the past three years?
8. First name of the nominee
9. Last name of the nominee
10. OSU ID of the nominee (ex. 111222333, do not include dashes)
11. Nominee email address
14. Nominee degree type
15. Nominee college
16. Nominee program
17. Your first name
18. Your last name
19. Your email
20. Your title
21. Award contact first name (this person will be responsible for distributing the award letter to the student)
22. Award contact last name
23. Award contact email
24. **Nomination Materials** - Nominators will be required to prepare the following materials as **one PDF document** and upload it to the nomination form:
 - a) A letter of nomination from the nominee's graduate program director or unit chair/head. The letter should address the nominee's overall effectiveness and impact in undergraduate research mentoring. Measures of effectiveness and impact may include, but are not limited to accessibility, dependability, guidance in the undergraduate student's research activities and learning, and demonstrated commitment to creating an inclusive environment supportive of undergraduate student success and belonging in the research context and on campus.
 - b) Up to two additional letters of support from the nominee's undergraduate mentees that can speak to the nominee's mentorship and commitment to research.
 - c) A statement from the nominee describing their academic and professional goals and overall mentoring experience.
 - d) A copy of the nominee's résumé or curriculum vitae.

**The information on this handout is subject to change at any time. Please review the award page and nomination form for the most current award information/requirements. All nominations must be submitted electronically through Qualtrics.*
